

Assistant Director for Operations

21 October 1948

Chief, FBIB

FBIB "Daily Report" and "Survey of USSR Radio Broadcasts"

1. Receipt is acknowledged of memorandum dated 15 October 1948, signed by the Assistant Director, Office of Reports and Estimates. It is my desire to express the sincere appreciation of FBIB for this commendation.

2. It is believed that the increased usefulness of FBIB reports may be attributed in some degree to the cooperation and guidance received from ORE, which has been accomplished through informal contacts established at the desk level between personnel of both Branches.

3. We are very pleased with the results that have been attained through this informal liaison and it is our desire to encourage its continuance in the future.
